Cast Introduction

♥ Anjou's Secret ♥

Lina

Anjou's pet is a baby dragon. Her usual shape is a baby dragon.

When Anjou and Lina combine

she turns into the invincible and strong Dragon Girl

Sendou Anjou

She is kind and has a strong sense of justice, but she's a bit of a crybaby.

Takaba Ryuji

He's the Seiryuu Academy Vice President. He has a cheerful personality and is the head of the student security.

Kasbin Ren

He's the Seiryuu Academy Class President. He has a cool personality, but a strong sense of responsibility.

Saint Dragon Girl Miracle

Kougo master, Sendou Mawaka and genius scientist, Ryoga, are the parents of Sendou Anjou, who has zero talent. The truth is, she was too strong when she was little, so her powers were sealed away by Ryoga. When she combines with the dragon Lina, her true power returns and she turns into the invincible, nice body, Dragon Girl!

Anjou joined the student council. She is part of the school's student security with Class President Ren and Vice President Ryuji. There have been people aiming at Ren's pendant. Seiryuu Academy is not the only school to have a pendant, but Suzuka, Wyakko and Genbu Academies as well. They have been passed down generation to generation in the school and it is said that the one who holds all four pendants in hand will have the power to control the world...!

In order to discover the secret of the pendant, Anjou and crew traveled to Suzuka Academy. They won a match against Suzuka Academy, and the Class President, Miyabi-sensei gave Suzuka's pendant to Anjou. With Seiryuu Academy possessing two of the pendants, the revelation of the secret draws near...!
